Description: A fantastic opportunity to join a growing company and expanding training department. Aspects Care is a company that provides support for people with Learning Disabilities, Mental Health and Challenging Behaviours. We are currently recruiting for experienced and qualified Assessors to join our team in our Birmingham office. The role will involve working closely with management to expand the training division of the business sourcing alternative training and evaluating and improving current training methods. You will be required to deliver Functional Skills Qualifications predominantly on a caseload basis ranging from Entry Level to Level 2; however assessment/delivery of other qualifications will be included, to staff and assess them as part of this qualification. Additionally you will be required to keep up to date with developments in training and attend relevant courses. The successful applicant will be self motivated, patient, organised with an adaptable approach to training. Applicant must hold a valid training qualification (Award in Education Training Level 3) and A1 Assessor's qualification or equivalent and hold Functional Skills English, Maths and/or ICT at level 2 or above. An IV qualification is desirable. All qualifications must be up to date and copies of certificates provided with application. Must pose experience of working in the teaching industry will be an advantage. Must hold a valid UK driver's licence as travel to various locations including Lincolnshire and across the business is essential to teach learners in a classroom setting. Working hours are to be agreed as on a freelance basis.
